

**PLEASE READ:** This document was designed to provide a **sample** of the questions and responses that will be included in the **2010** Fairfax County Youth Survey. This is not the actual survey instrument. The survey that will be administered to students will be designed on a computer-scannable form, with a round circle or "bubble" adjacent to the appropriate response on the form. The questions are listed in the same order in which they will appear on the survey.

**On the actual survey, each question will have a separate response. However, to make this document easier to read, a response is printed ONLY ONCE when it is exactly the same for a group of questions.**
